

The background of the top half of the page is a photograph of a business meeting. A woman with long, dark, wavy hair, wearing a light-colored blazer, is smiling and looking towards a man whose profile is visible on the right. Another woman is partially visible in the background on the left. A dark blue banner with white text is overlaid on the bottom left of this image.

Are you ready for Phase 5 of Uncleared Margin Rules?

Introduction

With a track record of helping firms in phases 1 through 4 of UMR, Wipro offers to be your trusted partner in your UMR compliance journey.

Wipro helped a Phase-4 firm in the US in segregating initial margin with over 50 counterparties at all 4 TPAs and leading 3PAs.

Key Takeaways

Subject matter expertise

A global team of consultants experienced in implementing collateral management systems at tier-1 firms.

Partners

Industry-proven platforms and robust system integration through partnership with industry leaders in SIMM calculation and collateral management.

Global operations

Global team of paralegal and operations personnel trained on collateral management, CSA and ISDA documentation.

Key Benefits

SIMM in a box

Avoid sharing trades by implementing an industry-hardened SIMM calculator in-house

Requirements accelerators

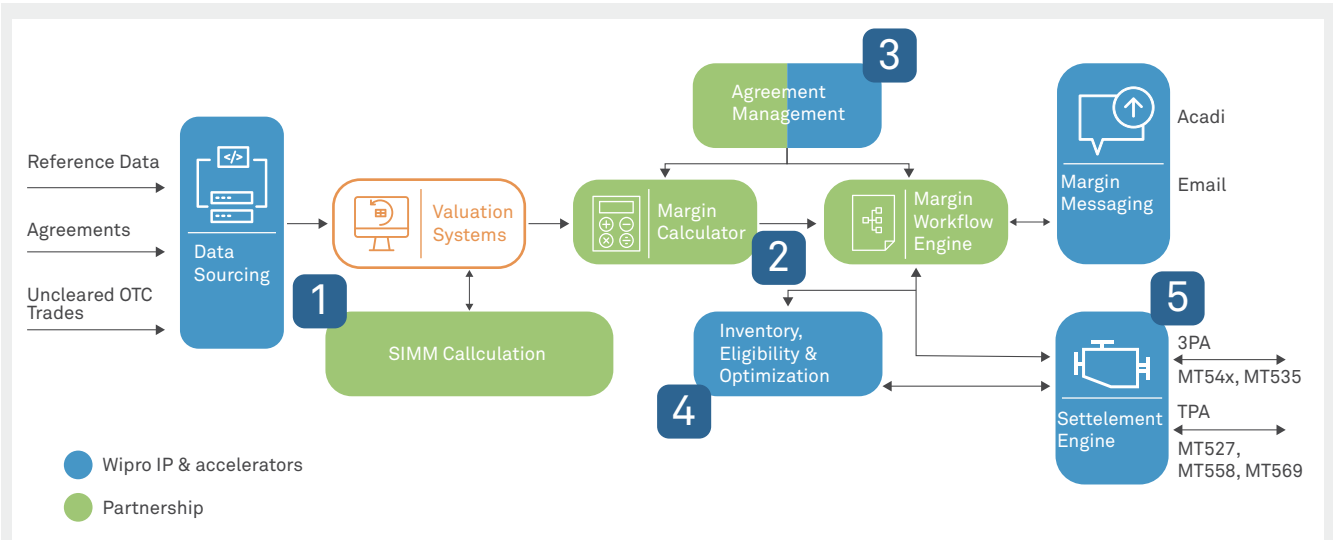

Cut the time-to-market by 25% and reduce the demand on time on your business stakeholders

Messaging framework

Connect rapidly with TPAs, 3PAs and with AcadiaSoft

Features

1. SIMM calculation through AcadiaSoft or via an in-house build. AANA calculation, threshold monitoring, back-testing, and documentation for regulatory approval.
2. Requirements accelerators covering sourcing of IMR, IM / IA offset models, margin workflow and collateral movements

3. Operational support in setting up collateral contracts and SSIs to manage the spike in client onboardings.
4. IM optimization across multiple counterparties, both T0 and time-weighted (MVA)
5. Accelerated connectivity with TPAs and 3PAs using MT527, 558, 569, 54X and 535

A large Phase-1 European bank chose Wipro to assist with their UMR program. Wipro set up a PMO, created a transition roadmap, and built interface with TPAs.
