Industry 'Centre of Excellence' for Utilities - electricity, water and gas

Certified domain experts dedicated to electricity, water and gas

# Reduced TCO with one complete solution on a single technology stack and no middleware

## Key features and benefits

## Success stories

### Digital Utility as-a-Service for a Danish energy company to transform them into a customer-centric organization:

- Solution built on Oracle Customer Care & Billing, Meter Data Management and Oracle Service Cloud
- Enabled compliance with the new 'wholesale' model requirements in Denmark
- 40% reduction in implementation efforts over the legacy CIS system
- 3x faster approval than the legacy platform
- Reduced TCO through as-a-Service model
