## Wipro appoints Jason Eichenholz as Global Partnerships Lead

**New York, USA and Bangalore, India –August 9, 2021:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting, and business process services company, today announced the appointment of Jason Eichenholz as Senior Vice President and Global Partnership Lead.

With over two decades of experience working in enterprise technology, Eichenholz brings deep cloud experience and a passion to couple technology with best-in-class sales and service techniques to Wipro. He will lead Wipro's efforts across all partnerships.

Eichenholz joins Wipro from Deloitte Consulting where he served in various leadership positions for over eleven years. His most recent role was as the Managing Director, National Sales & GTM Leader – Cloud, where he oversaw go-to-market activity and created joint go-to-market campaigns with AWS, Microsoft, Google, VMware, Oracle Cloud and Salesforce/Mulesoft. Prior to his Cloud role, Eichenholz was part of the leadership team that founded Deloitte Digital and established an ecosystem of partners and offerings centered around Salesforce. He also held leadership positions at Oracle, Siebel Systems after starting his consulting career at PWC.

Eichenholz will be based in Florida and report to Stephanie Trautman, Chief Growth Officer.

“As clients accelerate their cloud programs and reimagine their businesses, they want their partners to come together and deliver a seamless, innovative solution and a great client experience,” said **Stephanie Trautman, Chief Growth Officer, Wipro Limited**. “I am thrilled that Jason will be leading our Global Partnerships. He brings to Wipro extensive Cloud experience, relationships with several of our key partners and a passion for growth. He will have a strong team of leaders from across our business who will define and champion our success with our partners and with our clients.”

“I am excited to have the opportunity to lead Wipro's Global Partnerships organization and help our clients take advantage of the latest cloud and digital technologies to accelerate their business,” said **Jason Eichenholz**. “With the launch of Wipro FullStride Cloud Services and Wipro's industry expertise, we will look to expand existing technology partnerships, develop new ones, and architect innovative, industry specific solutions and ecosystems that we can bring to our clients.”

### About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to

**Forward-Looking Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
