## **Wipro earthian awards 2021 felicitate excellence in sustainability education**

**Bangalore, India – February 21, 2022:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, organized the 11<sup>th</sup> edition of Wipro earthian awards for the year 2021. The annual awards recognize excellence in sustainability in education in schools and colleges in India.

Wipro earthian is one of India's largest sustainability education programs for schools and colleges. The 2021 edition of the Wipro earthian school program received over 1000 project entries, out of which 20 winning and 20 shortlisted entries were selected by an independent jury. The 2021 College program has been temporarily paused.

The teams from schools demonstrated their understanding of biodiversity, waste and water through a combination of activity based learning programs and written essays.

The winning institutes were awarded a certificate along with a cash prize. The winning teams were felicitated by Wipro Chairman, Rishad Premji at a virtual event. They will also get an opportunity to engage with Wipro and its sustainability partners through continuous collaborative programs that will enable a deeper understanding of issues critical to sustainability.

The virtual event featured keynote talks by Dr. Shekhar Pathak a Padma Shri awardee, who is an Indian historian, writer and academician from Uttarakhand and Yuvan Aves, a writer, naturalist, educator, and activist based in Chennai. Noted quizmaster, Lloyd Saldana also hosted the 2021 National Finals of the Wipro earthian Sustainability Quiz.

**“Anurag Behar, Chief Sustainability Officer, Wipro Limited** said, “Wipro earthian has evolved over the last decade to become the flagship program for sustainability education in India. We continue to be amazed at the quality of work from diverse schools across the country on complex ecological challenges facing us. It gives us reason for optimism, and we remain deeply committed to working with schools and colleges for the long term.”

The list of winning teams at Wipro earthian awards 2021 can be accessed [here](#).

Since 2011, Wipro earthian, has engaged with more than 55,000 institutes, 1,30,000 students and 13,000 teachers. This year, we have had our largest participation so far, with more than 1300+ submissions across schools and college. The support from Wipro's education partners such as Centre for Environment Education (CEE), C.P.R Environmental Education Centre (CPREEC), Wild Ecologues, state governments, organizations and educators in our Sustainability Educator Program, have helped expand the reach of the program.

## **Forward-Looking Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
