Wipro Named an Industry Leader in ER&D for the 12th Consecutive Year by Zinnov

Latest Zinnov Zones ratings include Wipro among key innovators in the critical ER&D and IoT sectors.

New York, USA and Bangalore, India – May 12, 2022: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company has been named a Leader in Engineering and Research & Development (ER&D) and Internet of Things (IoT) Services by global management consulting firm [Zinnov](#), for the 12th consecutive year. The Zinnov Zones ratings provide an evaluation of global ER&D Service Providers based on their capabilities and coverage across a range of verticals and industry segments.

Wipro has a strong history of driving innovation in ER&D and IoT, two dynamic sectors that are critical to success in a hyperconnected, cloud-everywhere world. Having helped companies accelerate their time-to-market across the product, platform and technology lifecycle, Wipro was rated as a Leader across 25 different assessments in this year's [Zinnov Zones ratings](#): Overall ER&D, Digital Engineering, AI Engineering, ER&D Services – US, Germany, Japan, Automotive, ADAS, Telematics, Consumer Software, Enterprise Software, Software Cybersecurity, Software Platform Engineering, Medical Devices, Telehealth, Semiconductor, Telecommunication, SDN-NFV, OTT, Industrial, Digital Thread, AI/ML, IoT Services, Contactless Retail, Public Infrastructure.

“Zinnov’s recognition of Wipro’s engineering leadership across a broad range of sectors is a testament to our drive to provide the most effective, efficient and innovative services to clients worldwide. We are proud of Wipro being named a Leader for 12 consecutive years, even in emerging areas such as 5G, software-defined vehicles and smart devices,” said **Harmeet Chauhan, Senior Vice President and Global Head, Engineering and R&D Services, Wipro Limited.**

“Wipro has a rich engineering heritage and is among the top global leaders in the ER&D space. The firm has definitively strengthened its position by bringing its offerings under a comprehensive umbrella and renewing its focus on winning large deals. It has been successfully driving high value transformation for its customers by leveraging connectivity, cloud & data platforms, and IoT. Additionally, its suite of chip2cloud offerings, along with its acquisition of Eximius, have made it a leading provider in the semiconductor engineering space. The organization’s strong delivery muscle and expansive global presence has helped it anchor its 12th consecutive leadership position in the 2021 ER&D Zinnov Zones ratings,” said [Sidhant Rastogi, Managing Partner & Global Head, Zinnov.](#)

Forward-looking statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
