Wipro Names Wagner Jesus as Country Head for Brazil

SÃO PAULO | BANGALORE, India – Aug. 24, 2022 – Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, announced the appointment of Wagner Jesus as Country Head and Managing Director for operations in Brazil

Wagner joined Wipro three years prior, taking the lead of the non-financial business cluster. During his tenure, he has played a pivotal role in both local and global accounts and has successfully established relationships within the region. He has acted as a catalyst for significant change within the company and is an influential leader spearheading the company's most recent acquisitions while driving growth in Brazil.

"Brazil is one of the most dynamic markets in Latin America. Under Wagner's leadership, Wipro will continue to strengthen relationships with local teams, launch hyperscaler-centric innovation centers, and achieve best-in-class delivery to our clients," said **Srini Pallia, CEO, Americas 1, Wipro Limited**. "Wagner's commitment and authority over the last three years has been exemplary; he was the logical choice in maintaining the excellent momentum and growth Wipro has experienced in Brazil. I am pleased to welcome him into this new role and certain that he will continue to drive remarkable initiatives."

As he transitions to this new role, Wagner wants to focus on securing large local deals and significant transformational engagements. "Investing in the future of Brazil's technology has been Wipro's commitment for more than 16 years. I am honored to be recognized for this nomination and am delighted to take on this role. In Brazil, our ambition is to create a future that belongs to everyone and is for everyone, which inspires Wipro to simplify and expedite business transformation journeys with the best strategy, design, technology, and people for our customers," said **Wagner Jesus, Country Head, Brazil, Wipro Limited**.

Wagner holds a management certification from Harvard Business School, a Master's in Business Administration (MBA) by FIAP, Brazil and a bachelor's degree in Computer Science from Vale do Paraiba University, also in Brazil. Wagner has a history of strong leadership and has continued to foster Wipro's commitment to diversity, equality, and inclusion, serving as an active voice on many local Wipro committees.

About Wipro Limited

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations, and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
