Wipro ranked # 3 in HFS Top 10: Life Sciences Service providers 2021

Wipro considered a provider of deployment-ready solutions across the life sciences value chain

New York, USA and Bangalore, India – May 24, 2022: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, announced that it has been ranked top 3 in HFS Top 10: Life Sciences service providers 2021.

The study evaluated Life Science service providers across the execution of solutions, innovation, one office alignment and voice of customer. Wipro's restructuring, double digit growth and full stack capabilities were key strengths highlighted by HFS. Investments in domain experts, thought leaders, consulting partners, transformation models that leverage artificial intelligence and machine learning coupled with acquisitions have expanded Wipro's portfolio and strengthened capabilities that helped deliver innovative solutions for clients. Talent management and outcome driven engagements with clients have also been called out as key levers for client stickiness. Finally, customer references applauded Wipro's work and domain strengths.

Srini Rajamani, Senior Vice President & Sector Head – Consumer and Life Sciences, Wipro Limited, said "Wipro has enhanced offerings for clients in genomics, next-gen sequencing technologies, clinical development, quality, compliance, patient experiences and much more. Our recent acquisitions, too, help in the ability to execute and deliver outcomes. This recognition from HFS accentuates Wipro's capability across the value chain."

"Wipro has made significant emerging technology investments in the development of their life sciences solutions portfolio. The depth and maturity of their capabilities across the value chain earn them the right to have strategic discussions with their clients which is a cornerstone of their go-to-market. Their growth has surpassed the market and has positioned them as amongst the top 2 largest industry segments within Wipro," said **Rohan Kulkarni, Vice President & Practice Leader, Healthcare research, HFS Research.**

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
