Wipro recognized by Citrix as SEAKI GSI Partner of the Year 2021

New York, USA and Bangalore, India – May 02, 2022: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it was awarded 'SEAKI (South East Asia, Korea & India Region) GSI Partner of the Year 2021' at the Citrix APJ Partner Conference. The company was recognized for developing a successful partnership with Citrix Systems Inc. through its overarching strategic influence in key accounts, achieving the highest GSI revenue in the SEAKI region, and developing the Citrix capabilities through focused investments.

Wipro's strategic partnership with Citrix Systems Inc. is global and has developed over 14 years. Together, the companies have delivered improved desktop virtualization and digital workplace transformation solutions to a large number of customers across industries. This has led to increased workforce productivity for customers that drive better business results and deliver IT infrastructure and workspace intelligence at speed and scale.

"This award is another precious milestone achieved in the digital workplace partnership with Citrix," says **Satish Y, Vice President, Cloud & Infrastructures Services, Wipro Limited.** "The collaboration bears testimony to our proven capabilities, strategic strengths & insights in customer engagements and commitment to deliver enhanced business outcomes, especially as enterprises continue to redefine ways of working."

Parag Arora, Vice President, Area Sales, Citrix Systems Inc. said, "Wipro has shown significant growth and dedication to our Citrix business and strong headwinds to amplify our partnership this year across the region."

Citrix Systems Inc. is a reputed cloud computing and virtualization technology company that provides server, application and desktop virtualization, networking, software-as-a-service, and cloud computing technologies. Citrix products are used by over 400,000 clients worldwide, including 99% of Fortune 100 and 98% of Fortune 500 companies.

About Wipro Limited

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
