## **Wipro to deliver agile customer engineering services to Verifone Inc**

**Sunnyvale, California, USA and Bangalore, India – December 02, 2020:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has won a multi-year contract from Verifone, a global leader in payments and commerce solutions, to drive agility across its cloud services offerings.

Wipro will develop new features, capabilities and interfaces for Verifone's Cloud Services offerings, enabling seamless and flexible transaction processing for the company. Leveraging its global engineering support team, Wipro will accelerate time-to-market for Verifone assisting it to transform its customer partnerships.

"Buying patterns have been disrupted by the pandemic and the payment industry is undergoing an overhaul, accelerated by the cashless economy and contactless payments. We look forward to supporting Verifone navigate this upward trend and bring enhanced value through our deep expertise in Cloud Engineering offerings," said **Harmeet Chauhan, Senior Vice President, Engineering and R&D Services, Wipro Limited.**

"Verifone's full suite of best-in-class hardware, software and service solutions is revolutionizing the checkout experience globally," said **Bruce Gureck, Executive Vice President, Global Product and Engineering, Verifone.** "Wipro services will complement our in-house talent, tools and expertise to ensure we remain the most trusted, secure and innovative payments company, particularly in terms of providing a flexible, all-encompassing omnichannel commerce solution."

## **Forward-Looking Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders.
