Wipro Awarded the Palo Alto Networks EMEA Systems Integrator Partner of the year

New York, USA and Bangalore, India – January 25, 2022: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has received the Palo Alto Networks EMEA Systems Integrator Partner of the year for 2021.

Announced during the Palo Alto Networks Ignite '21 Partner Summit, these annual awards are presented to an elite group of Palo Alto Networks partners that, over the past 12 months, have excelled in the following areas:

- **Performance:** Bookings that partners initiate, the pipeline they build, innovative new services launched and net new customers added.
- **Enablement:** Number of Palo Alto Networks technical, pre-sales, sales and post-sales training courses and certifications completed.
- **Engagement:** Nominated by the Palo Alto Networks team for exceptional engagement with Palo Alto Networks and our customers.

Wipro provides cybersecurity consulting, design, implementation, and managed services to organizations on Next-Generation Firewalls, Prisma Access, Prisma SD-WAN, Prisma Cloud & Cortex XSOAR solutions. In addition, as a Certified Professional Services Partner, Wipro has expanded Palo Alto Network's EMEA business by 400 per cent in FY21 over FY20. This was possible due to a partnership that helped organizations harness technology to drive change through workplace transformation and network modernization.

Manish Garg, Head of Europe – Cloud & Infrastructure Services, Wipro Ltd., said, "We are honoured to be recognized as Palo Alto Networks' 'EMEA Systems Integrator Partner of the year – 2021'. This significant recognition underscores our expertise and ongoing commitment to help customers drive transformation that delivers a superior user experience with improved agility, resiliency and efficiency yet highly secured in modern digital era. Through our partnership with Palo Alto Networks, Wipro offers #WANFreedom, an end-to-end managed SDWAN solution. We have also launched Wipro's Managed SASE solution powered by Palo Alto Networks technology which combines a global high-performance network with the next gen security solution to drive digital transformation in Post Pandemic world."

John Hermans, Head of Europe – Cybersecurity & Risk Services, Wipro Ltd., said, "I would like to thank the Palo Alto Networks team for their constant support, stewardship and unyielding trust in our relationship. Wipro's differentiated service offerings on Palo Alto Networks technology give us an edge against our competition. We are elated and proud to win this prestigious award."

“At Palo Alto Networks, our partners share our vision of building tomorrow’s cybersecurity today and play a critical role in securing the tech-enabled future of the enterprise,” said **Don Jones, senior vice president, Ecosystems at Palo Alto Networks**. “Organizations rely on Palo Alto Networks technology and our trusted partners to bring the services and solutions that offer flexibility, innovation and security. As we rise to the challenge of modern security, we are innovating against threats and digitally transforming at an unprecedented rate. Being ready for what comes next means being willing to see the world differently. We’re proud to recognize Wipro Ltd., on their Palo Alto Networks EMEA Systems Integrator Partner of the year for delivering valuable business outcomes and helping our mutual customers protect their digital way of life.”

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro’s beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro’s control. Such statements include, but are not limited to, statements regarding Wipro’s growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers’ ability or willingness to purchase our offerings, delay prospective customers’ purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks

that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
