Wipro records 33% growth in Revenues
Revenue in Global IT business was \$910.1 Million, 14.3% QoQ and 42% YoY

Bangalore, January 18, 2008 –Wipro Limited today announced its results approved by the Board of Directors for the quarter ended December 31, 2007.

Highlights of the Results

- Wipro Limited Revenue increased by 33% Year on Year (YoY) to Rs. 53.03 billion (Rs. 5,303 Crores); Profit After Tax (PAT) was Rs. 8.54 billion (Rs. 854 Crores).
- Global IT Services & Products Revenue in dollar terms was \$910.1 million, a sequential growth of 14.3% and YoY growth of 42%. In rupee terms, Revenue stood at Rs. 36.16 billion (Rs. 3,616 Crores), a YoY growth of 26%.
- Profit Before Interest & Tax (PBIT) for Global IT Services and Products segment was Rs. 7.74 billion. Organic Global IT margins remained flat despite an appreciating rupee and impact of wage hikes.
- During the quarter, Wipro IT Business won 5 multi-year multi-million dollar deals.
- Wipro was cited by Forrester as "A Leader in SAP Implementation Services".
- Wipro won the "Credit Suisse IT New Business Award" for Strategic Partnership from Credit Suisse for its contribution in setting up and growing the Center of Excellence in Pune, which is a CIO led IT transformation initiative of Credit Suisse to achieve higher levels of IT efficiency, innovation and cost competitiveness through global sourcing.
- Global IT Services & Products added 39 new clients during the quarter.
- India, Middle-East & APAC IT business recorded 49% YoY growth in PBIT and 39% YoY growth in Revenues.
- Wipro Consumer Care and Lighting business Revenue grew 107% YoY and PBIT grew 99% YoY; crossed \$100 M in Revenues per quarter.

Performance for the quarter ended December 31, 2007 and Outlook for quarter ending March 31, 2008

Azim Premji, Chairman of Wipro, commenting on the results said -

"The results for the quarter are satisfying. We continue to see good momentum in all our businesses. Revenues from our Global IT Services at \$ 910.1 million for the quarter, were ahead of our guidance of \$ 905 million. Our Financial Services business grew nearly double digit sequentially during the quarter despite this being challenging times for the sector. We had strong growth in our BPO business and Testing Services. We also had our Retail and Healthcare Verticals growing ahead of our company growth rate. Our top 10 customers grew at a healthy rate during the quarter and we won a good set of new clients. On the operational front we have seen a 200 basis points increase sequentially in the mix of our Revenues from Fixed Price Projects. Our price realization improved during the quarter by about 50 basis points sequentially.

Our India, Middle East and Asia Pacific IT business won a large Total Outsourcing deal in the Telecom sector which is representative of the increasing size of deals in the Indian market and of our abilities to offer transformational Solutions to customers. This win clearly indicates the leadership position we enjoy in this segment.

Looking ahead, for the quarter ending March 2008, we expect our Revenue from our Global IT Services business to be approximately \$955 million."

Suresh Senapaty, Chief Financial Officer of Wipro, said –

“During the quarter ended December 2007, improved realizations and rationalization of bulge mix helped us fully mitigate the pressure on profitability on account of foreign exchange impact. The drop in our Global IT margins by 100 bps sequentially was primarily on account of our Infocrossing acquisition. We have seen an increase in the number of \$ 50 Mn clients and now have our first \$ 100 Mn client”

Wipro Limited

Revenues for the quarter ended December 31, 2007, were Rs. 53.03 billion, representing an 11% increase QoQ. Profit after Tax for the quarter was Rs. 8.54 billion, an increase of 4% QoQ.

Global IT Services and Products

Global IT Services & Products reported Revenues of Rs. 36.16 billion for the quarter ended December 31, 2007, representing an increase of 26% YoY and PBIT of Rs. 7.74 billion. Operating Income to Revenue for the quarter was 21.4%, lower primarily due to dilution on account of Infocrossing acquisition. Our Technology Business contributed 32.8% of the Revenues of Global IT Services and our Enterprise Business contributed 67.2%.

We had 79,832 employees as of December 31, 2007, which includes 59,925 employees in our IT Services & Products business and 19,907 employees in our BPO Services business. We added 2,389 employees in our IT Services & Products business during the quarter.

Our Global IT Services and Products business added 39 new clients during the quarter, of which 10 were Global 500 or Fortune 1000 companies. 9 of the new clients were Technology clients and 30 were Enterprise clients.

We continue to win Large Deals in the market place because of the value we deliver through the Global Delivery Model and our depth of Services across IT, BPO and Infrastructure Management. From a leading US based retail giant, Wipro BPO won a multi-tier end to end engagement covering Payroll/HR services, F&A services and Procurement services. The engagement also includes Product Warranty management and Insurance claims administration.

Our EAS practice bagged one of the largest SAP implementation projects (plant and supply management) at a global forest products group. The project will be carried out in 20 locations across Germany, Finland, Austria, UK, France, US, Canada and China over three years.

Wipro has been engaged by a large European bank to deliver a customized channel solution. This solution will support them in synergizing operations across their retail entities while providing a superior experience to their consumers and provide for better cross sell opportunities as well as multi channel integration.

Global IT Services and Products accounted for 68% of the total Revenue and 82% of the PBIT for the quarter ended December 31, 2007.

Applied Innovation

Reinforcing Wipro's commitment to Innovation and especially Applied Innovation, this quarter the first Applied Innovation Awards for Business Excellence were announced at a glittering awards event at New York. The awards were collaboration between The International Association of Outsourcing professionals (IAOP), the IT Association of America (ITAA) and Wipro. The awards recognize organizations that have successfully taken their breakthrough idea from concept to reality and have results to show for their efforts.

Wipro filed patents for its SOA based solution e-Enabler this quarter. This solution provides SOA based platform to align applications to business processes, cuts deployment time and enables faster time to market.

In this quarter, Wipro also launched its Innovation Isle in Second Life, one of internet's most populous virtual worlds. With the launch, Wipro became the first Indian company to leverage new age stakeholder engagement vehicles to establish a virtual brand presence.

Awards and Recognition:

Wipro won the "Credit Suisse IT New Business Award" for Strategic Partnership from Credit Suisse. The award honors Wipro for its contributions, especially in setting up and growing the Center of Excellence in Pune, which is a CIO led IT transformation initiative of Credit Suisse to achieve higher levels of IT efficiency, innovation and cost competitiveness through global sourcing.

Wipro was recognized as a winner of the 2007 Global MAKE Award and was ranked first in the Information Technology sector in 'Creating an environment for collaborative knowledge sharing' and 'creating a learning organization' categories, thereby delivering value based on customer knowledge.

During the quarter, Wipro was cited by Forrester Research, Inc., an independent research firm, as "a leader in SAP Implementation Services". According to the report, "Wipro has the strongest SAP Utilities practice of all Indian pure plays" and "Wipro's SAP capability is quite strong and, according to clients, its value for money is one of its best traits."

Wipro was also awarded the Software Testing Practice Award by International Institute for Software Testing (IIST), USA.

This quarter, Wipro-NewLogic, the semiconductor Intellectual Property (IP) business unit of Wipro had its WILD IP VD4 reference platform Wi-Fi CERTIFIED™.

Wipro Infotech – Our India, Middle East & Asia Pacific IT Services & Products business

For the quarter ended December 31, 2007, Wipro Infotech recorded Revenues of Rs.9,716 million, representing a growth of 39% YoY. PBIT grew by 49% YoY to Rs. 874 million. Services business contributed 33% to total Revenue during the quarter and grew by 46% YoY.

Wipro Infotech is a leading provider of business & IT transformation services comprising of Total Outsourcing, Consulting, Software solutions and Infrastructure integration & management.

Wipro Infotech won two large deals during the quarter. Aircel, a Maxis group company awarded Wipro a 9 years Total Outsourcing contract to provide next generation Business Transformation. Wipro is responsible for delivering Business-IT alignment and future ready IT Architecture & Solutions, and deployment of global best practices to sustain IT operations over the life of the contract.

Wipro won a 5 year IT services contract from Reliance Capital Ltd., in partnership with Tech Reliance, to deliver comprehensive Infrastructure & Applications Management Services, including branch roll outs & operations management.

Wipro Infotech accounted for 18% of the Revenue and 9% of the PBIT for the quarter ended December 31, 2007.

Wipro Consumer Care & Lighting

For the quarter ended December 31, 2007, Wipro Consumer Care and Lighting business recorded Revenues of Rs. 4,347 million, a growth of 107% YoY and PBIT of Rs. 525 million, a growth of 99% YoY. PBIT to Revenue was 12% for the quarter. Wipro Consumer Care & Lighting accounted for 8% of the Revenue and 6% of the PBIT for the quarter ended December 31, 2007.

Wipro Limited

For the quarter ended December 31, 2007, the Return on Capital Employed in Global IT Services & Products business was 41%, Wipro Infotech was 45% and Consumer Care and Lighting was 13%. At the Company level, the Return on Capital Employed was 27%, lower due to inclusion of cash and cash equivalents of Rs. 34 billion in Capital Employed (24% of Capital Employed).

For Wipro Limited, Profit after Tax computed in accordance with US GAAP for the quarter ended December 31, 2007, was Rs. 8.26 billion. The net difference between Profits computed in accordance with Indian GAAP and US GAAP is primarily due to different Revenue recognition standards, income taxes and amortization of intangible assets.

Global IT Services & Products segment's Revenues were Rs. 36.14 billion for the quarter ended December 31, 2007, under US GAAP. The difference of Rs. 26 million is primarily attributable to difference in accounting standards under Indian GAAP and US GAAP.

- g) For the purpose of reporting, business segments are considered as primary segments and geographic segments are considered as secondary segments.
- h) The acquisitions, made by Global IT Services and Products, consummated during the year ended March 31, 2006 and 2007 were reported separately in the segment report. The acquisitions have now been completely integrated into Global IT Services and Products and hence not reported separately in the

segment report. Segment information for the previous periods has accordingly been reclassified on a comparable basis.

- i) The Company has designated forward contracts and options to hedge highly probable forecasted transactions based on the principles set out in International Accounting Standard (IAS 39) on Financial Instruments. Until March 31, 2007, the exchange differences on the forward contracts and gain / loss on such options were recognised in the profit and loss account in the period in which the forecasted transaction is expected to occur. As of December 31, 2006 and March 31, 2007 the Company had forward /option contracts to sell USD 167 million and USD 87 million respectively, relating to highly probable forecasted transactions. The effect of mark to market of the designated contracts as of December 31, 2006 was a gain of Rs 89 million and as of March 31, 2007 was a gain of Rs 105 million. The premium / discount at inception of forward contracts was amortised over the life of the contract.

Effective April 1, 2007, based on the recognition and measurement principles set out in the Accounting Standard (AS) 30 on Financial Instruments: Recognition and Measurement, the changes in the derivative fair values relating to forward contracts and options that are designated as effective cash flow hedges of Rs 1,141 million, has been recognised directly in shareholders' funds until the hedged transactions occur. Upon occurrence of the, hedged transaction the amounts recognised in the shareholders' funds would be reclassified into the profit and loss account.

As a result of this change in the nine month ended December 31, 2007, the shareholders' funds and loans and advances have increased by Rs. 1,141 million.
