ServiceNow SecOps Managed Services

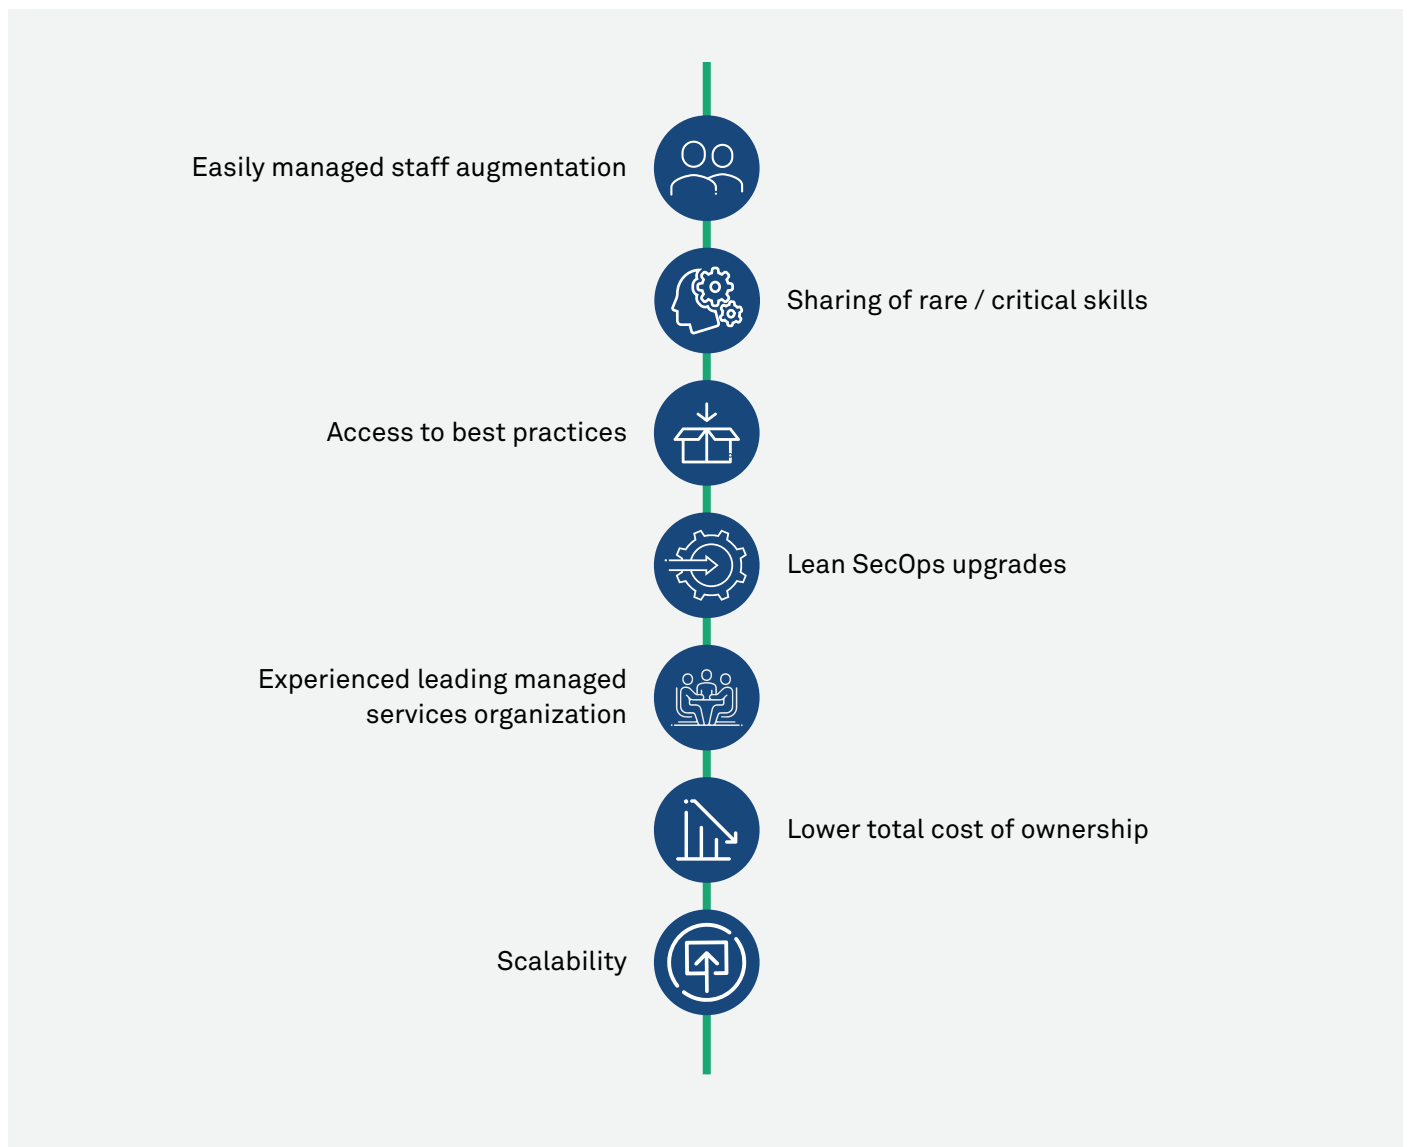

Update your ServiceNow SecOps platform to
the latest versions, features and configuration

Managing your ServiceNow SecOps solution by yourself is obviously an option. But we all know how scarce the resources are, how difficult it is to keep your key people in the active market, and how critical it is to benefit from others' experiences and best practices. As a ServiceNow strategic partner, Wipro provides you with industry leading managed services for your ServiceNow SecOps solution. Our expertise and best practices enable you to keep ServiceNow SecOps current and up-and-running.

Focus on what really matters to the organization and leave the day-to-day management of your ServiceNow SecOps solution to Wipro.
